

**LES DOMAINES PEDRO**

## **DOMAINE de la RONCERAY SAINT-ESTEPHE**

**Appellation:** A.O.C. Saint-estèphe

**History:** The Domaine de la Ronceray, is an a little estate entirely created in 1963 with some meticulous attention by the owner .

**Geographical situation and soil:** The Domaine de la Ronceray is located with a privileged situation on the great plateau of Saint-Estèphe on clayey chalk and stony subsoil.

**The vineyard:** Size of estate: 2 hectares vineyard. Grape varieties : 67% Cabernet sauvignon, 3% petit verdot, 30% Merlot. The average age of the vines is 30 years.

**Wine makeging:** Harvesting is late to ensure full maturity, perfectly ripe and careful selection of the grapes on arrival at the hopper. Traditional vinification, the must being frequently run-off and recycled to ensure an even temperature during fermentation. The wine is then aged in oak-casks (30-40% new each year), for around 15 months. Regularly racked and natural fined without filtration, it is bottled and stored in the underground cellar in ideal temperature and hydrometric conditions.

**Wine carateristic:** The Domaine de la Ronceray has a beautifull red and brilliant color. The noise is very complex and toasted whith leather. All senses you have a clear attack with a good structure with supple and silky tannins. At the end, an elegant and pleasant content with a beautifull harmony between the tannins and wood.

**Production:** 800 cases, or 9 600 bottles.

**Others growth:** The company also owns château Lavillotte, both in A.O.C. St-Estephe. And Château Le Meynieu in A.O.C. Haut-Médoc.

**Winery visits:** M. Jacques Pedro and Frank Maroszak,  
Château Le Meynieu 33180 Vertheuil-Médoc. FRANCE
